

FocalPoint®

Electronic Monitoring Application

Simple. Reliable. Accurate.

FocalPoint is an award-winning, electronic monitoring application that offers easy-to-use, on-demand access to critical offender tracking data.

Running an effective electronic monitoring program depends on leveraging smart multitasking tools. Flexible options from Omnilink, a Numerex Solution, make it easy to manage persons of interest anytime, anywhere, from a desktop, smartphone, or tablet. Built to increase efficiency, FocalPoint offers streamlined functionality with a secure platform.

"FocalPoint is very user-friendly. For agencies or departments with large staff, the software is easy to navigate with limited training. Omnilink gives agencies the maximum tracking capability in the offender tracking market."
